

Hey there!

Welcome to The Blue House, where we strive to make you feel like you're coming home.

Here, our team is influenced by every cuisine under the sun  
and we are always keeping you on your toes when it comes to our seasonally inspired menu.

It's our humble opinion that there's just too much good food out there.

And while the menu options may always be changing, one thing never will - our commitment to sourcing and showcasing  
high quality ingredients from our friends, neighbors, & North Country producers.

It's who we are. It's what we're built on.

So please, make yourself at home. Wood fired concoctions, vivacious libations, and a gracious welcome await.

We're so happy you're here.
